CADDIES

The Academy (www.cla-wny.org) provides summer caddie opportunities to under-resourced high school students living in and around Rochester. In addition to learning how to caddie, students have the ability to:

-  Develop Integrity, Self Respect, and Accountability
-  Establish a Personal Network
-  Earn Money
-  Apply for an [Evans College Scholarship](#)

SUPPORTERS

The Academy is 100% funded through donations, grants, and fundraising. Collectively, we can turn a \$1,500 investment into a full college scholarship (>\$300,000) for caddies accepted into the Evans Scholars program.
